## MMR BLOOD DRIVE

FACT: One pint of blood can save 3 lives, and every two seconds, someone in the U.S. needs blood. In our community, our blood drive has been one of the most successful every year, easily bringing in over 80 units of blood per drive. That directly benefits over 240 people!! Let's make this drive the best one yet!

This year our Home and School Association will be sponsoring the Blood Drive on Friday, February 2<sup>nd</sup>. The drive will take place from 3-8pm in the multi-purpose center in the school.

We are looking forward to seeing regulars and would love to add some new faces! Those as young as 17 may also donate blood.

We need volunteers to help with the blood drive! Please contact Stephanie Shortall ([steph.shortall@gmail.com](mailto:steph.shortall@gmail.com)), and look for the SignUp Genius link that's coming soon.

To register to donate blood, please contact Megan Ulmer at 215-285-7403, or [mdu1201@gmail.com](mailto:mdu1201@gmail.com). You can also register online at [www.redcrossblood.org](http://www.redcrossblood.org).
