

**We follow the North Penn School District  
with regard to weather related school closings.**

If there is a change to the regular school day for the NPSD, information will be sent via phone and text from Blackboard Connect. The information will also be posted at [www.mmrschool.org](http://www.mmrschool.org).

**Snow Day** – School is closed.

**Late Opening** - If North Penn calls for a 2 hour delay, families living outside of the NPSD should check their residence's public school district to determine morning transportation availability. The Pre-School Three Year Old program is cancelled in the event of a late opening on Tuesday or Thursday.

Generally:

- If your home district is on the same opening schedule as North Penn, busing is provided by your district.
- **If your home district is not delayed but NPSD is delayed, no busing will be provided.** Students should be driven to school according to the NPSD delay time.
  - If car transportation is not possible, call the attendance line to report your child's absence. (In this situation, the absence is not recorded on the student's attendance record.)
- If your home district is delayed but NPSD is not, students may be driven to school for a regular 8:30am start or may wait for their district to bus at the delayed start time. (Students are not marked late in this instance.)
- **Walkers and car riders adhere to the same schedule as the NPSD.** Students should not arrive before 10:10am if we are on a 2 hour delay. CARES students may be dropped off beginning at 9am.

All districts provide busing home at regular dismissal time as long as they were not closed for the entire day.

**Early Dismissal** - Individual public school districts determine if and when to close early due to weather. *MMR does not make this decision.* Students who are listed as bus riders in this instance will be dismissed according to the pickup time provided by their public school district. Typically, dismissal for car riders and walkers will be near the time chosen by North Penn for its buses. The transportation method for your family was chosen by you at Back to School Night and confirmed during Parent-Teacher Conferences. We ask that you adhere to this choice as dismissal on these dates is busier than usual. All dismissal times will be communicated via Blackboard Connect and our website. There is no afternoon CARES on these days. *Please do not call the school office with inquiries about the possibility of early closure. We will let you know as soon as we know.*
